

# Manteo, NC (Roanoke Island)

*Elizabeth II replica (based on ship used by Roanoke Island settlers)*

John White drawings of Roanoke Island

# John White Drawings

# Wooded Areas-Ft. Raleigh

*Where settlers walked, and others researched trees*

# Albemarle Sound

*This is where the settlers likely landed before embarking on this island*

# Roanoak Indians

*A replica of one of their homes*

# Indian Pottery

# Indian Rituals

*This is a replica of a John White drawing of the Indians dancing in a circle*

# Aboard Elizabeth II

# Inside Elizabeth II

# Canoe Carvings

*After gutting the trees by fire, Indians would carve the canoes with sea shells!*

English Settler House

# Skittles!

*No, not the candy-an early form of bowling played by English settlers*

# Woodworker in Training

*English people had to learn a trade in the 1500s; they started off as apprentices to an accomplished worker*

Despite my punishment, thank you Town of Manteo, NC, Ft. Raleigh National Historic Site, and Roanoke Island Festival Park for the photo opportunities!
